## Additional information

Some transactions not listed in this guide may be subject to additional fees. Any fees for services provided by third parties in connection with a transaction may be added to the fees charged by National Bank. Furthermore, some transactions require advance credit approval and may be subject to additional fees.

For all these products, fees for CAD, EUR and USD transactions are payable in the currency used.

For transactions carried out or denominated in other foreign currencies, fees will be billed in Canadian dollars, and percentages will be calculated using the Canadian-dollar equivalent amount.

The content of this guide is subject to change. If you have used any of the Import Export Trade Finance Solutions listed in this guide at least twice during the 12 months preceding any changes to fees, you will receive written notice of the changes 30 days before they enter into effect. Otherwise, the most recent version of this guide will be available upon request in branches or from your account manager. In the event of a discrepancy or conflict between this guide and any other agreement between the client and National Bank of Canada, the terms of the agreement shall prevail.
