| Net purchase volume* over 12 months | |
|-------------------------------------|------------------------------------|
| \$0 to \$40,000 | 1.5 points per dollar in purchases |
| \$40,001 to \$80,000 | 2 points per dollar in purchases |

To obtain more information on the À la carte Rewards Plan, visit the *Travel* section on rewards.nbc.ca.

➤ Alternatively, you can sign up for the *World Mastercard* credit card in the banking offer. More details at nbc.ca/worldmastercard.

* The net purchase volume is the amount charged to the card minus returns and refunds. Points are not awarded for annual fees, balance transfers and cash advances. Accelerated point accumulation is calculated based on a period of 12 months from the date the account was opened. Once the 12-month reference period has elapsed, the net purchase volume calculation will be reset to zero. The points accumulated will be posted to your account once a month, provided your account is in good standing on the statement date. Your account is in good standing when you comply with the obligations of your cardholder agreement (e.g., making your minimum payment by the due date).
