

ADDENDUM ESTABLISHING A RESTRICTED LIFE INCOME FUND UNDER THE NATIONAL BANK SAVINGS AND INVESTMENTS INC. SELF-DIRECTED RETIREMENT INCOME FUND

RECITALS:

- A. The Annuitant wishes to transfer assets derived, directly or indirectly, from a pension plan governed by the provisions of the Act, or any other source acceptable under the Act, to a restricted life income fund with the Trustee;
- B. For these purposes, and to comply with the requirements of the Act and the Regulation, the Annuitant and the Trustee wish to supplement the declaration of trust of the National Bank Savings and Investments Inc. self-directed retirement income fund entered into between them (the “**declaration**”) with this addendum. In the event of any conflict between the provisions of the declaration and this addendum, the provisions of this addendum prevail.

NOW THEREFORE, the Annuitant and the Trustee agree as follows:

 2. **Purpose of the Fund:** Subject to the Act and the Regulation, all assets in the Fund, including investment earnings, but excluding fees, charges, expenses and taxes charged to the Fund, are locked-in for the purpose of providing the Annuitant with a retirement income. No assets that are not locked-in may be transferred to or otherwise held in the Fund.
 3. **Value of the Fund:** The fair market value of the Fund, as determined by the Trustee in good faith, is used to establish the balance of the assets in the Fund at any particular time, including on the death of the Annuitant or a transfer of assets. Any such determination by the Trustee is conclusive for all purposes hereof.
 4. **Investments:** The assets in the Fund are invested in the manner provided in the declaration. All investments must comply with the rules set out in the Tax Act regarding investments in a RIF.
 5. **Payments:** Payments out of the Fund are subject to the following conditions:
 - a) **Annual payments:** The amount of income payable yearly is, subject to the minimum and maximum amounts below, set by the Annuitant each year by notice to the Trustee no later than January 1. A notice expires on December 31 of the year to which it relates. If the Annuitant does not provide such notice in a given year, he or she is deemed to have elected to receive the minimum amount for that year.
 - b) **Maximum amount:** For any calendar year before the calendar year in which the Annuitant reaches 90 years of age, the amount of income paid out of the Fund cannot exceed the maximum amount permitted under the Act and the Regulation, determined by the following formula:
C/F where
C is the balance in the Fund
 - i) at the beginning of the calendar year; or
 - ii) if the amount determined in paragraph i) is zero, at the date when the initial amount was transferred into the Fund; and**F** is the value, as at the beginning of the calendar year, of a pension benefit of which the annual payment is \$1, payable on January 1 of each year between the beginning of that calendar year and December 31 of the year in which the Annuitant reaches 90 years of age, established using an interest rate that:
 - i) for the first 15 years after January 1 of the year in which the Fund is valued, is less than or equal to the monthly average yield on Government of Canada marketable bonds of maturity over 10 years, as published by the Bank of Canada, for the month of November before the beginning of the calendar year, and
 - ii) for any subsequent year, is not more than 6%.
 - c) **Maximum amount for an incomplete year:** For the calendar year in which this addendum is entered into, the amount determined under subsection 5 b) or 5 f) is multiplied by the number of months remaining in that year divided by 12, with any part of an incomplete month counting as one month.
 - d) **Maximum amount on transfer from RLIF:** If, at the time the Fund was established, part of it was composed of assets that had been held in another RLIF of the Annuitant earlier in the calendar year, the amount determined under subsection 5 b) or 5 f) is deemed to be zero in respect of that part of the Fund for that calendar year.
 - e) **Minimum amount:** The aggregate amounts paid during a year cannot be less than the minimum amount prescribed in the Tax Act. If the minimum amount is greater than the maximum amount determined in this section, the minimum amount is paid during the year in question.
 - f) **Maximum amount starting at age 90:** For the calendar year in which the Annuitant reaches 90 years of age and for all subsequent calendar years, the amount of income paid out of the Fund may not exceed the value of the assets held in the Fund immediately before the time of the payment.
6. **Permitted transfers prior to conversion:** The Annuitant may transfer the assets of the Fund only:
 - a) to another RLIF;
 - b) to a RLSP; or
 - c) to purchase a Life Annuity.
 The Annuitant’s application for transfer must be in a form satisfactory to the Trustee. If assets in the Fund consist of identifiable and transferable securities, the Trustee may transfer these securities.
7. **Death of the Annuitant:** On the death of the Annuitant, the assets in the Fund are paid to the Survivor by:
 - a) transferring the assets to another RLIF or to a LIF,
 - b) transferring the assets to a LRSP or to a RLSP, or
 - c) using the assets to purchase a Life Annuity.
 No such payment is made unless and until the Trustee receives releases and other documents as it may reasonably require.
8. **Restrictions:** Subject to subsection 25(4) of the Act, the assets in the Fund cannot be assigned, charged, anticipated or given as security and any transaction purporting to assign, charge, anticipate or give the assets as security is void.
9. **Sex discrimination prohibited:** Where a pension benefit credit transferred into the Fund was not varied according to the sex of the Annuitant, a Life Annuity purchased by the assets accumulated in the Fund may not differentiate as to sex. The pension benefit credit that was transferred herein was not varied according to the sex of the Annuitant, unless otherwise indicated in writing to the Trustee.
10. **Permitted withdrawals:** A withdrawal, commutation or surrender of assets, in whole or in part, held in the Fund is not permitted and will be void, except in the following circumstances:
 - a) **Transfer of 50%:** If the Fund is established in the calendar year in which the Annuitant reaches 55 years of age or in any subsequent calendar year, the Annuitant may transfer 50% of the assets to a registered retirement savings plan or a RIF within 60 days after the establishment of the Fund if

 - (ii) the Annuitant gives a copy of Form 2 and Form 3 of Schedule V of the Regulation to the Trustee.
 - c) **Financial difficulties:** The Annuitant may withdraw an amount up to the lesser of the amount determined by the **Formula** set out below and 50% of the year’s maximum pensionable earnings minus any amount withdrawn in the calendar year from any RLIF under this subsection or paragraph 20(1)d), 20.1(1)m) or 20.2(1)e) of the Regulation if the following conditions are met:

- (i) the Annuitant certifies that he or she has not made a withdrawal in the calendar year from any RLIF under this subsection or paragraph 20(1)d), 20.1(1)m) or 20.2(1)e) of the Regulation, other than within the last 30 days before this certification,

where
 - P** is 50% of the year's maximum pensionable earnings and
 - Q** is two thirds of the Annuitant's total expected income for the calendar year determined in accordance with the Tax Act, excluding withdrawals in the calendar year under paragraph 20(1)d), 20.1(1)m), 20.2(1)e) or 20.3(1)m) of the Regulation.
- d) **Shortened life expectancy:** The Annuitant may withdraw all or part of the assets as a lump sum upon application to the Trustee, where a physician certifies that owing to mental or physical disability, the life expectancy of the Annuitant is likely to be shortened considerably.
 - e) **Non-resident:** The Annuitant may withdraw all or part of the assets as a lump sum upon application to the Trustee, if the following conditions are met:
 - (i) the Annuitant has ceased to be a resident of Canada for at least two calendar years and has ceased employment with the employer who is a party to the pension plan or ceased membership in a multi-employer pension plan. For this purpose, the Annuitant shall be deemed to have been a resident of Canada throughout a calendar year if he or she has sojourned in Canada in the year for a period of, or periods the total of which is, 183 days or more; and

 - b) The provisions of the pension plan do not prohibit the Annuitant from entering into this addendum and, in the event that such prohibition does exist, the Trustee is not liable for the consequences to the Annuitant of executing this addendum nor for anything done in accordance with the provisions hereof; and
 - c) The commuted value of the pension benefit credit that was transferred herein was not determined in a manner that differentiates on the basis of sex, unless otherwise indicated in writing to the Trustee.
 - 13. **Governing law:** This addendum is to be governed by and construed in accordance with the laws applicable in the province or territory of residence of the Annuitant.
 - 14. **Effective date:** This addendum takes effect on the date of transfer of assets into the Fund.
